

ADA 10I – Mime Scenes

Learning Goal:

Students will demonstrate their understanding of mime techniques in a mime scene based on the idea of breaking and entering

Success Criteria:

Step 1 – Groups of 3 actors

Step 2 – Design a mime scene around the idea of breaking and entering

Step 3 – Include all 6 mime techniques/illusions learned in class.

Step 4 – All actors in the scene must perform all 6 techniques/illusions.

Step 5 – Include a creative introduction for your scene

Step 6 – Include music, and costumes to enhance your scene.
